Subject: Reference for Christian Thompson

To whom it may concern,

I have employed Christian Thompson over consecutive consultancy contracts starting in May 2006. During this time he has provided a high level of communications and policy support to the Papua New Guinea office of WWF South Pacific Programme, including assisting with the development of communications brochures and newsletters, and advising on communications messages, statements and press releases.

Christian is a consummate professional, very easy to work with and has been warmly appreciated by a range of staff across a number of cultures and disciplines.

I have no hesitation in recommending him highly to others.

Please feel free to contact me if I can assist any further.
